

TIM HAMM

The Blazing Meadows Farm team, led by trainer Timothy E. Hamm, has six licensed trainers on staff with a combined 150 years' experience in the thoroughbred horse industry and the development of young thoroughbred horses. The two-year old operation has over 80 two-year old stake winners. The yearling/two-year old pin hooking operation has been profitable since the year of inception in 1999. Blazing Meadows Farm has built a reputation for selling sound, talented, young thoroughbreds at two-year-old public auctions. Their clients have gone on to win multiple Grade 1 races and Eclipse Awards with the horses that went through our two-year old breaking/training program. The integrity, results and profitability of the two-year old thoroughbreds that went through the Blazing Meadows Farm program are undeniable.
